

## EQUIPPED FOR SUCCESS

### SHORT MEMORY

Not everything you try is going to work. In fact, your learning curve may be pretty steep. Keep in mind that whatever failure happened yesterday stays there. Today is a new day.

### CREATIVITY

No idea is too off-the-wall or unconventional if it makes your wife feel truly loved. Thinking outside the box is highly encouraged.

### LISTENING TO GOOD ADVICE

Don't miss opportunities to pick the brains of people whose relationships you admire. Press your role models for their secrets. See if there are any that will work for you and your wife.

### VISION

The ability to spot new opportunities to show love to your wife—and to recognize whether old strategies are working—is key to becoming bilingual.

### ENDURANCE

Mastering a new love language is a marathon, not a sprint. You'll get tired, discouraged, and frustrated along the way. Press on. And when you think you've got the language mastered, keep going. Keep learning. Keep trying new things. Keep finding new ways to make your wife feel loved.

### PRAYER

You may not be a religious man, but when it comes to your relationship with your wife, you need all the help you can get. Don't be afraid to ask God for wisdom in how to effectively meet your wife's need for love.

### FIRM STANCE

Nothing is more important than your relationship with your wife. Protecting and perfecting that relationship is Job One. Hold tight to that mindset and you'll set yourself up nicely for eventual success.
